Free restrictor kit available

Candy max orange

Metallic oort grey

FEATURES

For two-up riding and for differing loads the rear suspension pre-load is easily adjusted without tools.

Antilock Brake system monitors wheel speed every 1/100th of a second and matches stopping power to available traction for increased stability in emergency situations.

Upright and relaxed riding position for all day comfort and a huge 22 litre tank to really rack up the miles.

*Excludes first registration and road taxes
